CORRESPONDENCE:

Several items were received from C.F.A.

C.F.A. 1975 Convention - Proposed Programme.

This matter received considerable discussion and grave
concern was expressed regarding the possible success
particularly the possibility of attendance numbers due to
the following:

The dates; 24 - 25 - 26 September, 1975.

These dates clash with the Royal Melbourne Show and are
three working days. These two factors plus the present
economic situation it is felt will greatly reduce the
registration of Victorians at this Convention.

The "Proposed Programme" was also discussed and it was
felt that the Grouping of "Housing & Credit Co-operatives"
was not desirable and in fact this section should be
deleted and instead a paper on "Terminate Co-operative
Housing" be included within the general part of
convention.

"Credit Unions" should be either grouped with
"Consumer Co-operatives" or a paper included within the
combined section of the convention.

It was also expressed that as the programme consist
of 4 half day sessions spread over three days,
consideration should be given to condensing it into
two days, Thursday and Friday.

STUDY COURSE IN AUSTRALIA BY CO-OPERATIVE MANAGEMENT
CONSULTANT - SRI LANKA:

It was agreed that this Federation would assist in this
programme and accept responsibility of organising one
week in August and September.
